

300 Series Brush Shredder

PRODUCT DESCRIPTION

The Vrisimo 300 Series Brush Shredder is the perfect mid-range brush shredder for light to medium-sized projects in an orchard or vineyard application. This machine ranges in size from 4 to 7 feet and features an adjustable rear roller to fine tune heights and rear pickup tines for thorough brush cutting.

PERFORMANCE

The Vrisimo 300 Series Brush Shredder comes fully equipped with high horsepower components including a 90 HP gearbox, 70 HP PTO shaft, 3- 5VX series belts and high-capacity bearings. Like all Vrisimo products, this machine is electronically balanced for smooth operation. It is built tough with severe duty design and high HP components and bearing guards.
