

Vrisimo Orchard LP

PRODUCT DESCRIPTION

The Vrisimo Orchard LP Mower is the right tool to maintain an orchard from early spring through harvest. This flail mower ranges in cutting widths from 7 feet to 15 feet and features a 90-horsepower gearbox. It is a durable tool that efficiently cuts and mulches grass, leaves and other debris to create a smooth, sanitary orchard surface.

PERFORMANCE

Super Tuf scoop knives create a vacuum effect, lifting debris and vegetation for improved mulching. Quick change hangers are standard for easy knife changes, saving time and money. The adjustable rear roller ensures uniform cutting height. The electronically balanced, 8-inch rotating cutter drum combines power with smooth operation. Wear liners are standard for longer life.
