

# MiniMax Mower

## PRODUCT DESCRIPTION

The Vrisimo MiniMax Flail Mower is an affordable, versatile and popular addition to any landowner's tool kit. It is a lightweight mower that provides maximum cutting power and can be mounted on the back of most small tractors. Cutting capacity up to 1".

## PERFORMANCE

This durable and reliable mower requires low horsepower for a 1-inch cutting capacity. It is available in cutting widths of 48, 60 and 72 inches. A category 1, 3-point hitch comes standard with an adjustable hitch that allows you to configure your machine to be center-mounted or 6-inch offset. Like all Vrisimo flail mowers, the cutter drum is electronically balanced for smooth operation. The adjustable rear roller ensures uniform cutting height.
