4" Inches

50EX HD Specifications

Model #	50EX-HD
Overall Width	80"
Number of Knives	24-Slicer 12 Center
Hydraulic Pressure Req	4,500 PSI
Motor Type	Piston

Enhanced HD thumb-saddle for robust debris management from within the excavator's cab.

Direct Drive Design optimizes transfer to the drum for enhanced cutting efficiency.

KEY FEATURES

- **Composite Dampener Washer:** Isolates operational vibration and increases drive component lifespan.
- **Wire-Guards:** Anti-wrap design protects bearings and seals from debris.
- **Optional HD Hammer Knife:** Forged one-piece sharpened hammer provides maximum versatility. Cuts hardwoods and grasses cleanly with efficient uniformity.
- **SAE Compliant:** Exceeds all SAE J1001 standards for flail mowers.
- **Single-Piece Frame:** Modern engineering increases strength.

The 50 EX-HD stands as the largest model in the EX Series, offering maximum power and capacity.
