

Orchard LP Flail Mower

Take your land maintenance capabilities to a new level with the Vrisimo Orchard LP Mower a testament to **American Craftsmanship and innovation**. Designed to excel in large fields and commercial orchards, this mower seamlessly blends decade of tradition with cutting-edge engineering, ensuring optimal performance from the first blooms of spring to the dormant season.

The Orchard LP Mower delivers precise performance in orchards and large fields. In spring, it removes debris to prepare the ground for new growth. Through summer, it maintains clean, consistent vegetation, and during harvest, its dependable operation supports efficient field management. Designed for both agricultural and pasture use, the Orchard LP Mower provides reliable, year-round land maintenance.
