THE CORE OF THE VRISIMO 500 SERIES BRUSH SHREDDER

Experience the inner workings of this robust brush shredder. Engineered for enduring performance, it includes internal wear liners, a re-cutter bar, and adjustable rear pickup tines to optimize brush mulching, resulting in a finer mulch.

KEY FEATURES

- **Power:** Severe duty design, high HP components.
- **Tailored Cutting Heights:** Adjustable rear roller and pickup tines, offering a versatile height adjustment range from 0 to 6 inches.

Durability: Internal AR liners standard. Heavy duty wheel kit optional.

The hitch for the S-500 is adjustable for offset and specifically designed for Category 2 connections.
