

900 Series Brush Shredder

The Vrisimo S-900 Flail Shredder is your ultimate solution for mowing and shredding tasks. This powerful, versatile machine excels in various applications, handling challenging vegetation with ease.

Opt for the Vrisimo S-900 Flail Shredder for power, precision, and durability. It's the top choice for those demanding top-tier land maintenance machinery performance. Whether tackling brush or vegetation, the S-900 efficiently manages it all. Experience its remarkable capabilities and elevate orchard shredding to new heights. Choose the Vrisimo S-900 Flail Shredder and see the difference.

Cut Width

84-108"

Material Capacity

4-5"

Weight

3,175-3,515 lbs

HP Required

80-100

Mow Height

0-12"

The S-900 is equipped with a **dual-drive system** that ensures efficient power distribution, enabling it to handle heavy cutting and mulching tasks.

The S-900 features a convenient **adjustable drawbar system**, making it easy to attach to various vehicles and equipment for efficient operation.

PERFORMANCE

At the heart of the Vrisimo S-900 Flail Shredder lies a technological marvel—an electronically balanced **10-inch diameter cutter drum** with a sturdy 1/2-inch thickness. This powerhouse is equipped with our triple knife assembly, featuring robust **2.25-pound side slicer knives**, along with a hefty **2-pound straight knife**. Together, they ensure efficient cutting and mulching, making easy work of even the most challenging vegetation.
