

100 Series Brush Shredder

The Vrisimo S-100 Brush Shredder is a specialized addition to our S-Series lineup, meticulously designed to meet the unique shredding demands of vineyards and stonefruit orchards. Crafted for compact tractors with 18-40 horsepower, this versatile machine efficiently mulches prunings up to 2" in diameter and provides effective cover crop mowing, all while ensuring exceptional performance and durability. Ideal for orchard and vineyard owners who demand top-notch land maintenance equipment.

KEY FEATURES

- **Durable Design:** The S-100 is built for long-lasting reliability in orchards and vineyards. Its heavy-duty construction and quality components deliver consistent performance you can depend on.
- **Chain Guard:** maintains debris inside the shield for superior mulching results.
- **High-Quality Roller Bearings:** Designed to endure rigorous shredding tasks, ensuring long-lasting performance.
- **Sealed Backroller Bearings:** Double protection against debris for enhanced durability.

Cut Width

48-61"
